

Coal Tar Distillation Global Overview

www.petcokes.com

A Publication of Jacobs Consultancy, Inc.

Fall 2009

Major Topics Covered in the Report:

- **Global Coal Tar Distillation Capacities**
- **Global Coal Tar Distillation Product Capacities and Production Volumes**
- **Key Industry Developments Related to Coal Tar Pitch, Naphthalene, and Refined Oils Products**

Would you be interested in knowing . . .

- *Worldwide, how much coal tar distillation capacity exists?*
- *How much coal tar pitch, naphthalene, and refined oils were produced by China?*
- *What key industry developments occurred in Europe?*

. . . then you'll want to get a copy of our *Coal Tar Distillation Global Overview Report*.

Jacobs Consultancy has completed an updated worldwide survey about coal tar distillation practices. Survey data—which includes a summary of world coal tar distillation, regional breakdowns of coal tar distillation product types, production capacities, marketed product volumes—has been compiled, analyzed and depicted in easy to understand charts in the *Coal Tar Distillation Global Overview Report*. Additionally, the report includes commentary about key industry developments.

Jacobs Consultancy will provide electronic versions (in Acrobat PDF format) of the *Coal Tar Distillation Global Overview Report* for US\$3,100. The report is available at a US\$200 discount for new or continuing subscribers to the *Coal Tar Pitch Report* (US\$3,100). Therefore, both reports can be purchased for US\$6,000.

Coal Tar Distillation Global Overview

TABLE OF CONTENTS

SECTION

A INTRODUCTION

B COAL TAR DISTILLATION MARKET

Overview

Coal Tar

Products from Coal Tar Distillation

Coal Tar Pitch

Naphthalene

Refined Oils

Demand for Coal Tar and Coal Tar Pitch

C COAL TAR DISTILLATION – SURVEY RESULTS

World Distillation Capacity and Production Volumes of Coal Tar Pitch, Naphthalene and Refined Oils

Regional Distillation Capacities and Production Volumes of Coal Tar Pitch, Naphthalene and Refined Oils

Middle East and Africa

Asia (excluding China)

China

CIS and Eastern Europe

Europe

Latin America

North America

Oceania

Additional Studies

PACE PETROLEUM COKE QUARTERLY REPORT—

Authoritative, objective analysis for the petroleum coke industry through monthly, quarterly, and special supplementary reports.

COAL TAR PITCH REPORT—

In-depth investigation of all the pertinent issues (supply/demand, transportation, environmental concerns, and technology changes) affecting coal tar pitch markets.

We would like to purchase the *Coal Tar Distillation Global Overview (CTDGO) Report*. We understand the terms are as follows:

- This updated *Coal Tar Distillation Global Overview Report*, regularly priced at US\$3,100, is discounted for continuing subscribers of the *Coal Tar Pitch (CTP) Report* (US\$3,100) to US\$2,900. Together, both reports (CTDGO and CTP) can be purchased for US\$6,000. Payment is due upon execution and return of this agreement. The report will be provided upon receipt of payment. Electronic copies of the report (in Acrobat PDF format) will be e-mailed to the subscriber's designated recipient.
- All fees and charges payable by Client under this Agreement are exclusive of any taxes, duties, fees or other levies or charges which may be imposed on or in respect of the rights granted hereby or the services provided hereunder. Client shall pay any and all taxes, however designated or levied, based upon rights granted hereby and/or the performance of the services hereunder, including but not limited to foreign, federal, state and local sales, privilege, use, value added and excise taxes; provided, however, that Client shall not be responsible or liable for any taxes measured by or based upon the net income of Service Provider.
- The report is for the exclusive use of the Client and its subsidiaries (51 percent or more owned). The Client agrees not to republish information or analyses contained in the *Coal Tar Distillation Global Overview Report* under any circumstances without express written approval from Jacobs Consultancy. Any printed use or distribution to other companies of the material contained in the report(s), whether via electronic or printed means, requires prior written approval from the Jacobs Consultancy Inc. (e-mail: inquiries@jacobsconsultancy.com) and said material must be attributed in print not smaller than 10 points to "Jacobs Consultancy Inc., *Coal Tar Distillation Global Overview Report*."
- Export Control. The U.S. Government prohibits U.S. companies or their subsidiaries from exporting, re-export, or transshipping information, services, or technology to certain embargoed or sanctioned countries. You agree not to export, re-export, or transship any of the Work Product provided by us, to any embargoed or sanctioned country, or alternatively to obtain all necessary approvals and licenses from the U.S. Government for such export, re-export or transshipment.
- In accord with our regular practice, the identity of all purchasers will be kept confidential by Jacobs Consultancy.
